Product Description

Infinity Hand Care delivers a premium hand care experience with high-end formulations and beautifully designed packaging, bringing national-brand aesthetics and quality to professional facilities without the premium cost. Its private-brand approach allows distributors and customers to offer a sophisticated hand care program while strengthening and growing their own brand identity.

What makes your product innovative?

Infinity Hand Care introduces an industry-first approach to private-brand hand care with a premium clear PET bottle and clear label stock that creates a seamless, high-end branded appearance. The transparent packaging allows the product and design to work together, giving customers unprecedented flexibility to create sophisticated, national-brand aesthetics while building their own brand identity.

Please provide any applicable product specifications or technical details.

Bottle: 1100 mL clear PET plastic bottle designed to make the bottle itself the primary branding platform, allowing for premium, high-impact private-brand aesthetics.

Dispenser: Compact, small-footprint manual dispenser designed to reduce plastic usage, material costs, and overall system footprint. The dispenser uses no proprietary lockout system, providing flexibility and ease of use for customers.

Is your product sustainable / environmentally friendly? If so, please explain why below.

Yes. Select Infinity Hand Care formulations will be EPA Safer Choice certified, providing customers with environmentally preferable product options. The program also utilizes a durable clear PET bottle and a compact dispenser designed to reduce material usage and overall packaging footprint.
